Having a Jubilee celebration? We're here.

Preparing for a Platinum Jubilee party takes careful planning. But don't worry, your local Co-op has you covered with top tips and tasty treats to make your party fit for a Queen.

Dining

The way to everyone's hearts

- Ask guests to bring a dish! You'll save on cooking and there'll be something for everyone
- Check if you need to feed any veggies or vegans. You'll find ideas and special deals on our choice of party food!
- Remember it's a royal celebration, so dress your table to impress! Check out the use-it-once range of party tableware when you pop in to stock up

Drinking

It's a long day, so don't forget the soft drinks and water as well

- Ask everyone to bring a favourite drink - no one will be disappointed, and you can save the pennies!
- Why not make your own Jubilee Punch? Maybe one for the kids and a 'wobbly' one for the grown-ups
- We've a great selection of bottles and recipes on-hand to keep your guests in good spirits

Dressing for the occasion

One word: bunting! No Jubilee party is complete without it

- If you can't find what you want, pop into our local co-op and ask for some of our Jubilee bunting templates to make your very own!
- Ask guests to bring chairs, so everyone has somewhere to sit
- If you're having a street party, choose a spot that's not too near to passing traffic
- Set a fun dress code, but one that's easy to do. How about home-made Jubilee hats, with a prize for the best-in-show?

Fun stuff

Don't take it too seriously

- Make a playlist of everyone's favourite tunes ahead of the big day if you can.
- Keep the volume to a reasonable level and try to be quieter after 9pm
- Maybe ask guests to bring party games to play - great for your younger guests
- Plan a Queen-themed quiz - pick up one of our trivia sheets in-store if you're struggling for questions!

But most of all remember, this is a celebration for everyone in the community. Enjoy yourselves!

Let's co-operate
